SUBJECT: CGA National Preparedness for Response Exercise (PREP) Certification Report - 2023

To whom it may concern:

CGA has completed the following equipment deployment training exercises for calendar year 2023 in accordance with the National Preparedness for Response Exercise Program (PREP) guidelines, 30 CFR 254.42(b)(2), and 30 CFR 254.41(a). Complete records for each deployment are on file and available upon request.

| Date       | Staging Location       | Deployment Location | Equipment Deployed                                                                                     | NPREP Deployment Type                                                                                                                |
